CLUB

Some cavers at New Year's trip

Caving regions of UK

4 main caving areas

in general:

Yorkshire and Derbyshire:
- Great SRT caving

South Wales and Mendip
- No need for SRT

Southern caving regions

CAMBRIDGE
UNIVERSITY
caving
CLUB

Usually wet trips, wetsuits are nice but not necessary.
Accessible to freshers.

Contain UK's largest cave Ogof Fynnon Ddu of which
vast majority is just walk in

Northrern caving regions

CAMBRIDGE
UNIVERSITY
caving
CLUB

ROBBIE SHONE

Some spectacular SRT caving to be done.
Easier caves also exist in the area

Council of Higher Education Caving Clubs

Annual event where all university clubs meet up and go caving (but mostly a big party)

← 25 member clubs across the country

Pre-rigged caves

Lots of space for tents

Some contests with caving related prizes

Training in first-aid, cave rescue and other

Sensitive Content

This photo contains sensitive content which some people may find offensive or disturbing.

Failed to find a picture from the party which is probably for the best

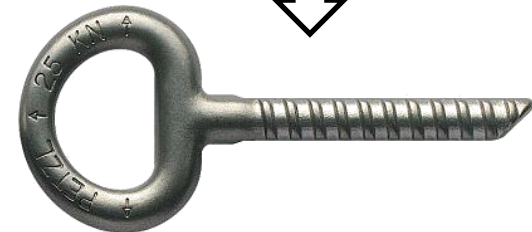

Rigging and ropes in UK

CAMBRIDGE
UNIVERSITY
caving
CLUB

Most of the caves use
resin anchors

Personal SRT kit can be
borrowed from the club for
practice

Caving huts

CAMBRIDGE
UNIVERSITY
caving
CLUB

Local caving clubs run *caving huts*.

They provide:

- Cheap acomodation
- Large kitchen to cook together
- Are close to caves
- Have drying rooms
- etc
